Description

Hotel Numbi and Garden Suites in Hazyview

If you want to get close up to some of Africa's most treasured wildlife, then you don't need to step very far from the Hotel Numbi. The world-famous Kruger National Park is just moments away. There you'll be able to see lions, elephants, rhinos, and giraffes all living side by side with us in their natural habitat. After an exhilarating day on safari, there's no better place for peace and relaxation than the Hotel Numbi. We are a family run business with over fifty years of experience in the hospitality industry. We offer a range of accommodation which includes our stunning suites set in our lush sub-tropical gardens. Each suite has been thoughtfully furnished and equipped to give the feeling of a home from home. We have three swimming pools for you to enjoy, as well as several award-winning restaurants. And, if the Kruger doesn't satisfy your fix for wildlife, there'll be plenty of time for you to get to know the monkeys who've made the grounds of the hotel their home! We even have our own private airstrip on site for those who wish to arrive by plane. We're delighted to be able to offer air and helicopter tours. These offer breath-taking views of the surrounding areas of natural beauty, from God's window to the Sabie Valley. [Kindly remember to bring your identity document and present it upon check in at the hotel. This is to comply with the amended Immigration Act 13 of 2002. It is now a legal requirement for all hotels to keep a detailed register containing details of all GU]
